Get up on your feet and cheer for the underdog with the rousing and uplifting score to *Newsies*, the triumphant new live-action Disney musical. Inspired by the New York newsboy strike of 1899, *Newsies* is a film bursting with life and street-smart determination. This victorious soundtrack, featuring songs with music written by the award-winning composer Alan Menken (*Beauty and the Beast* and *The Little Mermaid*) and lyrics by Jack Feldman, will be enjoyed by families and friends time and time again.
